A New Era of Furniture Design

monoo

“OFFICE” FURNITURE THAT FEELS LIKE HOME AWAY FROM HOME

Monoo creates furniture for contemporary work environments where comfort, flexibility and character coexist.

Designed and manufactured in Turkey, our collections combine thoughtful craftsmanship with a refined aesthetic, bringing a residential sense of warmth into workplaces, hospitality settings and shared spaces.

monoo

Brand Ethos

We believe furniture shapes the way people connect.

Every Monoo piece is designed to support meaningful interaction, encourage collaboration and create environments that feel welcoming, adaptable and enduring.

Our Approach

At Monoo, we design furniture that balances comfort, performance and visual clarity.

Every collection is developed to meet the changing needs of contemporary workplaces while maintaining a timeless and enduring character.

Comfort	Function	Craft	Adaptability	Longevity
Human-centred ergonomics and ease in every detail.	Purposeful solutions designed for everyday use.	Thoughtful materials and refined craftsmanship.	Designed to flex with evolving environments.	Built to remain relevant and perform for years to come.

monoo

we are RESPONSIBLE

In our ambition design ventures, we still act with accountability to one another and our planet.

we are CARING

We approach every piece we lovingly do with care, sensitivity and attention to detail.

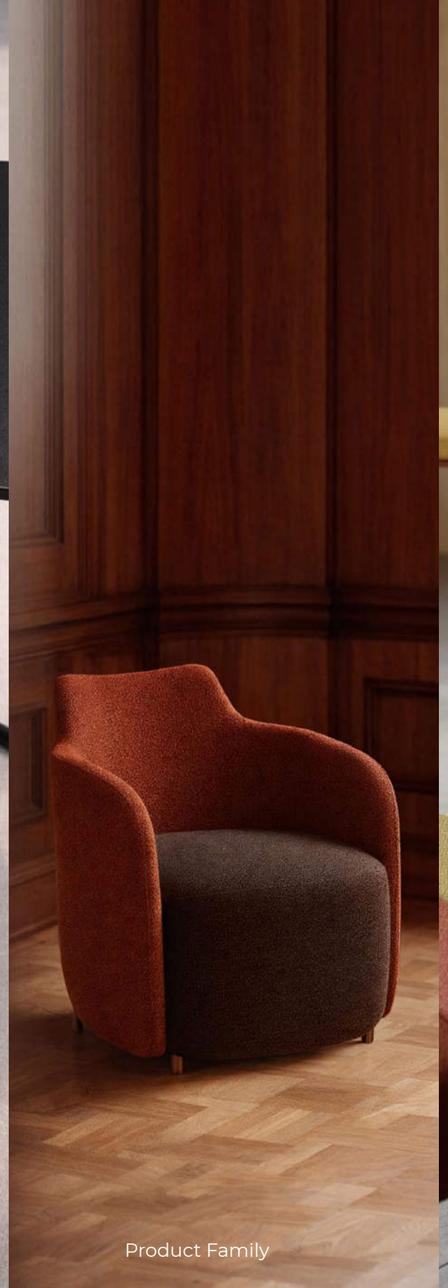

we are IMAGINATIVE

We thrive on imaginative collaborations that transform creative ideas into reality.

we are SUSTAINABLE

We design and manufacture ecoconsciously to ensure the health of our planet today and tomorrow.

Monoo product family’s strength is in its clarity of design.

SMART

Each monoo product is designed to work both independently and in synergy with other smart pieces in order to form larger, cohesive units.

COHESIVE

It provides a great wealth of design options and is perfect for use in lounges, meeting areas, and workspaces.

VERSATILE

You can achieve a monochromatic look with a uniform seat and back, or create a dynamic contrast with a two-toned exterior and interior.
